Pork Sausage Seasoning - 10Kg Pack

A fantastic pork sausage seasoning for those of us who like our bangers pure and simple!

Pork Sausage Seasoning is a carefully crafted blend of spices and herbs designed to enhance the natural flavours of pork, making it a staple in sausage making. This seasoning mix balances savoury, spicy, and aromatic elements to complement the rich taste of pork, ensuring that each sausage is deliciously seasoned and appealing.

At the core of Pork Sausage Seasoning is salt, which not only seasons the meat but also aids in the preservation and texture of the sausage.

Product Description

The herb flavours plays a starring role in pork sausage seasonings, lending a slightly peppery and minty note that is particularly well-suited to pork. They add its own subtly earthy and slightly floral flavour, enhancing the complexity of the seasoning.

The ingredients deepen the umami flavours present in pork and add a richness that makes the sausage more satisfying.

The combination of these spices and herbs ensures that Pork Sausage Seasoning brings out the best in the pork, highlighting its natural flavours while adding intriguing layers of taste. When mixed into ground pork, along with fillers like breadcrumbs and a binding liquid (often water), this seasoning helps create sausages that are flavourful, aromatic, and perfectly seasoned, suitable for frying, grilling, or baking. This seasoning blend is ideal for those looking to enjoy traditional, homemade sausages with rich and satisfying flavours.
