

## PRODUCT SPECIFICATION

Product Title CAMBRIDGESHIRE SAUSAGE SEASONING 10KG PAIL

Product Code SE24138

# **Cambridgeshire Sausage Seasoning - 10KG Pail**

A premium English sausage with a pepper and herb backnote.

A distinctive feature of Cambridgeshire Sausage Seasoning is the use of pepper, which provides a heat, offering a subtle warmth that doesn't overshadow the flavours of the meat. The herbs play a prominent role, contributing an earthy, slightly peppery taste that pairs perfectly with pork. These herbs combine to create a seasoning that is both fragrant and deeply flavourful, enhancing the

**Product Description** 

natural juiciness of the pork.

The seasoning is typically mixed into the ground pork along with breadcrumbs and water, which help to distribute the flavours evenly and maintain the sausage's moisture during cooking. Cambridgeshire Sausage Seasoning delivers a subtly spiced, herb-forward taste profile that is perfect for a variety of dishes, from traditional breakfasts to hearty dinners, embodying the essence of

Cambridgeshire's gastronomic legacy.
